

COOKIES POLICY

Welcome to www.cemagcare.com (“Website”), which is owned by CEMAG Care.

This Cookies Policy is designed to tell you about our practices regarding the collection of information from you when visiting our website through cookies and other tracking technologies. This cookies policy will allow you to know who is placing cookies, for what purpose and gives you the means to disable them. We recommend you to review this policy regularly, because the cookies we use may change.

On your first visit to this website, you will have seen a pop up to inform you on purposes for which cookies are being used and on means to opt out to customize it. You may consent to install cookies before navigation on the website.

01 > What are cookies?

Cookies are text files containing small amounts of information which are downloaded to your device when you visit a website. Cookies are then sent back to the originating web domain on your subsequent visits to that domain. Most web pages contain elements from multiple web domains so when you visit the Website, your browser may receive cookies from several sources.

Cookies are useful because they allow a website to recognize a user's device, navigate between pages effectively, remember preferences and generally improve the user experience. They can also be used to tailor advertising to your interests through tracking your browsing across websites.

02 > What types of cookies does CEMAG Care use and how to manage them?

In this table, you will find a description of the categories of cookies used by CEMAG Care or its processors.

Name of cookie	Source	Purpose	Expiration
<i>Technical cookie needed for essential functions of the website</i>			
PHPSESSID	PHPSESSID	Identification of users	Automatically removed from your device when you close your browser.

03 > Use of IP addresses

What is an IP address? It is a numeric code that identifies your computer on the internet. Your IP address might also be used to gather broad demographic information.

CEMAG Care may also use your IP address and browser type to help diagnose problems with our server, to administer its website and to improve the quality of the services offered to you. CEMAG Care may perform IP lookups to determine which domain you are coming from (e.g. google.com) to more accurately gauge our users' demographics.

Information from these types of cookies and technologies or about website usage is not combined with information about you from any other source.

04 > How to contact us?
